**MOLLY NECE** is a leading expert in the development of human potential and personal effectiveness. With over 15 years of inspiring audiences, she has helped thousands to dream big, shine bright, and create their best life in areas of leadership, service, and effective communication. She also enjoys strengthening people's ability to manage stress, time, change, and space. Equipping her clients both young and seasoned with the tools they need to be successful and happy in all aspects of their life fuel her fire to continue to transform lives across the nation.

Molly has a Masters in Training and Organizational Development, Psychology, Education, and a certificate in Lean Six Sigma. She also has authored four books and built two companies over the past three years while working fulltime for West Chester University's Office of Training and Organizational Development as a coach, consultant, and trainer. This past fall, she was honored as one of Philadelphia's *Main Line Today Magazine* "Women on the Move" for her work with the Molly Sunshine Group and Legacy Producers. Most recently, she was nominated in the local author category for the 2012 Literacy Heroes Award.
